Fenwick Island Beach Patrol Report

As summer is coming to an end, FIBP staff is starting to head off to school and the staff is getting smaller. As in the past, we will start spreading the stands further apart to insure the most adequate beach coverage. Also, the Side by Side transport services will be limited during this time (10:00 – 11:30 for coming on and 4:00 – 4:30 for going off). As of 8/26, the transport service will be closed until the weekend. Please plan accordingly.

August typically brings bigger surf. Please remember to swim near a lifeguard and always use caution in the ocean. FIBP has logged over 20 rescues this summer.

FIBP was proud to announce the lifeguard awards for the 2019 season. This year the celebration was held at Just Hooked in Fenwick. All 29 guards were in attendance as well as Teresa Tieman and several members of the Town Council. The guards honored were:

Lifeguard of the Year: John Douds. John is our Medical coordinator and EMT. He has had a great year on the beach and has been a huge part in bettering the medical response for the Beach Patrol. He was also recognized by the Chamber of Commerce for this award.

Rookie of the Year: Walker Chavatel. Walker has been a great new addition to the beach. He was quick to learn the skills required and is always working hard.

Both of these awards were voted for by the entire Beach Patrol. The Captain Award, selected by only the Captain, went to First Lieutenant Josh Strine. Josh's guidance has been a crucial part in all the successes the Beach Patrol has had this summer. Congratulations to all the recipients.

FIBP sent 4 lifeguards to the USLA National Competition in Virginia Beach on August 8. Each of these guards made it to the finals in each of their events. Matt Sheils and Griff McWilliams placed 10th in the Paddle Rescue Race. Tyler McCarthy placed 5th in the 2K Beach Run, and Emily Ruppert Placed 3rd in the 4 x 100 Yard Sprint Relay and 1st in Beach Flags. We are proud to have a national champion on our patrol.
